

DOMAINE DE VAUGONDY *Vouvray Sec*

Domaine de Vaugondy's dry Vouvray is made from Chenin Blanc grapes grown on the siliceous clay terroirs of the village of Vernou sur Brenne, near to Vouvray.

This Vouvray sec is vinified in stainless steel tanks with perfect temperature control, and is distinctive with its frank, straightforward character.

It has a luminous pale yellow appearance. Its nose is incredible subtle, with aromas of ripe fruit. Its palate is surprisingly fresh and mineral. Serve at 10°C with scallops to enthrall your taste buds.
